**Statement on the Tragedy at our
King Soopers Store in Boulder, CO**

We are horrified and heartbroken over the senseless violence that occurred yesterday at our King Soopers store located on Table Mesa Drive in Boulder, CO, resulting in the deaths of 10 people, including three of our associates: Denny Stong, Rikki Olds, and Teri Leiker; and Boulder Police Department Officer Eric Talley.

In the hours since the shooting, we're learning of truly heroic acts that included associates, customers and first responders selflessly helping to protect and save others. We will remain forever grateful to the first responders who so bravely responded to protect our associates and customers.

The entire Kroger family offers our thoughts, prayers and support to those impacted by this tragedy, including our associates, customers and first responders, and their families.

The store will remain closed while law enforcement completes their investigation.
