

The Kroger Co.

2020 Political Contribution Annual Report

Introduction:

Political giving is one small way in which The Kroger Co. engages in the political process.

We are members of various trade associations that provide government relations services in Washington, DC and in the States in which we operate. We regularly educate legislators and regulators about issues that affect our company, industry, associates, and customers. In addition, we inform our management associates of important issues and occasionally encourage them to contact legislators.

On the following pages, you will find a report detailing all of our political giving from the calendar year of 2020. During that period, we gave a total of \$744,344.00 to candidates, political organizations, and issue campaigns.

A breakdown of the information by source of funds, political party, and state follows:

<p><u>Total Giving</u> \$744,344.00</p>
<p><u>Political Giving by Source of Funds</u> KroPAC (Federal PAC): 12.4% Corporate: 87.6%</p>
<p><u>Political Giving by Party</u> Democratic Party: 28.6% Republican Party: 21.7% Independent, Non-Partisan, or No Party: 49.6%</p>
<p><u>Political Giving to State/Local Candidates by State</u> Oregon: \$129,000.00 Washington: \$60,750.00 Indiana: \$12,750.00 Tennessee: \$75,308.00</p>

Trade Associations:

Kroger also participates in several federal trade associations that help represent our perspectives to legislators and regulators in Washington, D.C. It is important to note that we do not always share the same perspectives on legislation and regulatory matters as do our trade associations. A full description of Kroger's specific lobbying activities is filed quarterly with Congress and is available online.

The list of national trade associations of which Kroger is a member include:

- FMI: The Food Industry Association
- International Dairy Foods Association
- Retail Industry Leaders Association
- National Retail Federation
- American Baker's Association
- U.S. Chamber of Commerce
- National Association of Chain Drug Stores
- American Trucking Associations
- United Fresh Produce Association

The portion of dues paid by Kroger to these organizations allocated to lobbying in 2020 is \$510,264.18

Kroger Government Relations quarterly lobbying reports disclosed a total of \$790,000 in lobbying expenses during FY2020.
