

# Fresh Opportunities In Store

## Clerk → Store Leader

We strive to feed your future by offering the ingredients you need to create your own recipe for success, including fresh opportunities to grow your career. No matter where you start your journey, fresh opportunities abound with the Kroger Family of Companies.

### Assistant Store Leader

Advance your management experience as an Assistant Store Leader! In this role, you'll lead the day-to-day operations of your store, ensuring an exceptional customer and associate experience. You'll also develop skills in operations, merchandising, HR, community relations, finance, and so much more.

### Field Specialist

Become a subject matter expert in a critical department or area of our business by bringing our Every Customer, Every Time!: Full, Fresh & Friendly strategy to life across a group of stores or district.

### Store Leadership Development Program

Ready to go further? Our Store Leadership Development Program is a 13-week immersive program to prepare you to be an Assistant Store Leader. In this program, you'll learn the fundamentals that will set you up for future success.

### E-Commerce Supervisor

Elevate your skills by gaining experience in the fast growing e-commerce space! As an E-Commerce Supervisor, you'll lead other associates as they delight our customers through Pickup. You'll also gain critical knowledge of this exciting area of our business.

### Clerk → Lead Clerk

Get started on your journey by learning how Every Customer, Every Time!: Full, Fresh & Friendly creates an exceptional customer experience in our stores.

### Assistant Department Leader → Department Leader

Advance your leadership skills and help fellow associates deliver a Full, Fresh & Friendly experience for Every Customer, Every Time! In these roles, you'll have the opportunity to learn about store operations, merchandising and much more, while making a positive impact on associates and customers.

### Store Leader → High Volume Store Leader

Take your career to new heights by leading all aspects of a store to achieve our goals, drive sales and business outcomes, and create an outstanding customer and associate experience.
